The AAT Universal Seating System

The AAT Universal Seating System

Everyone is different.

- That's why we developed the Universal Seating System.
- Exclusively for the AAT Sella stairclimbing wheelchair - Britain's #1 choice for safe use of stairs.
- Optimal flexibility and adjustability built in, to assure continuous comfort and safety up and down stairs and steps.
- Quick and easy to adjust as needs change.
- Quick and easy to remove and stow away.
